\$1,000.00 in Cash Prizes

The manufacturers of the Hoosier Kitchen Cabinets are going to divide \$1,000.00 in cash among the agents who sell the most cabinets before Christmas.

We want the first prize—and we believe we can get it because we know the Hoosier Kitchen Cabinet—know it is a convenience and work saver that every housekeeper ought to have in her kitchen.

We have already sold a large number of these cabinets—not a single complaint—not a woman who will not tell you the Hoosier cuts down her work and makes it easier—not one who would sell her cabinet for twice what she paid for it, if she couldn't buy another.

Mr. Husband:

We'll not say a word till Xmas morning.

Pick it out to-day.

But over 2,000 other Hoosier agents will enter this contest, and we must push our sales as high as we can.

So we are going to make it easy for you to buy NOW. You can commence tomorrow saving your work the Hoosier way ("the easy way") and pay for the cabinet on such agreeable terms that you will never miss the money.

The plan we offer you is the Hoosier Club Plan—it's a good way to get the best and most convenient cabinet made.

Let us tell you about it.

Oyster Facts

In a Nut Shell

Up to last season the only known way of shipping opened oysters besides the Sealship way, was shipping them in wooden tubs along with ice, in which way the oysters often came badly jammed or water-soaked from the water that melted from the ice which would slosh around and wash the goodness out of the oysters.

Then we began handling them in Barre from the Sealship Co. at South Norwalk, Conn. At that time they were the best to be had. Since then other oyster shippers farther north have begun shipping Blue Points, large fancy solid meats, in air tight containers with the ice packed around the outside. This enables us to buy and sell better oysters at a lower price. These solid meats we are selling at 45cts per quart.

Try some for supper one of these cold nights. They have the real sea flavor.

We have the reputation of handling the best sea food in town.
